

Down the Steps Letter

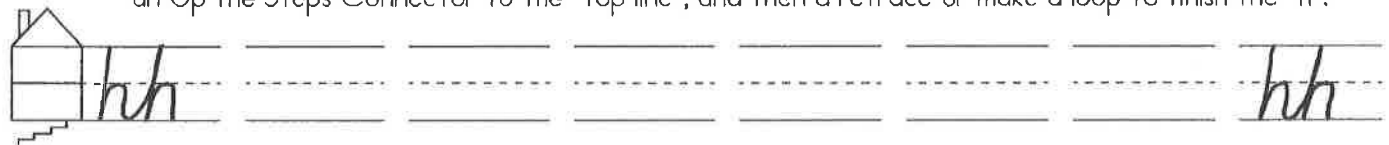

- Put your pencil on the dot and write the letter as the instructions are read.
 - go Down the Steps to the "writing line"
 - retrace back up to make a Rainbow Curve touching the "middle line"
 - go down to the "writing line"

When starting a word with the letter "h", just begin with a Down the Steps stroke at a slight angle and make an "h", or the letter "h" may also be made from the writing line as an up the steps loop letter. It is your choice.

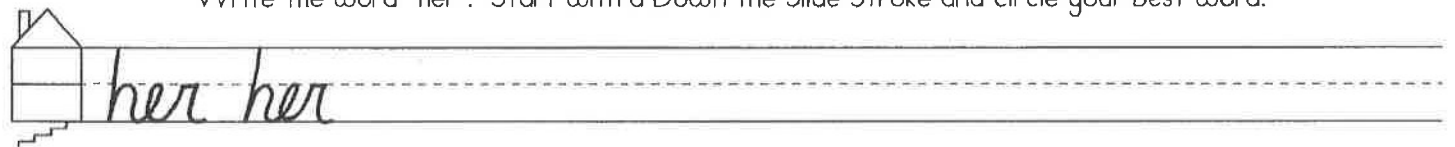

Fill in the "h's", Start with a Down the Steps stroke and try to copy the model given.

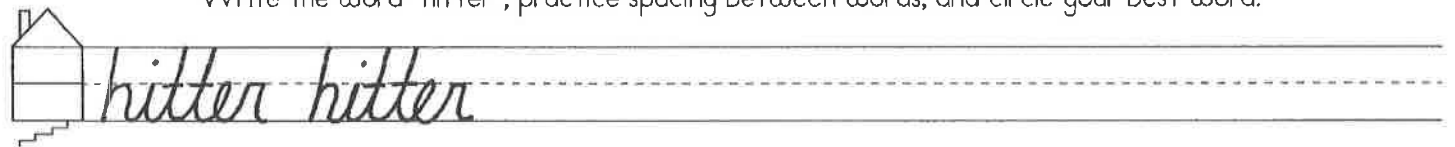

Write a line of "h's" connected in 2's. The first "h" starts with a Down the Slide Stroke the second needs an Up the Steps Connector to the "top line", and then a retrace or make a loop to finish the "h".

Write the word "her". Start with a Down the Slide Stroke and circle your best word.

Write the word "hitter", practice spacing between words, and circle your best word.

Practice writing the words "her" and "hitter" at home.
