

Adjectives describe nouns. They can tell what color, size, and shape something is. They can also tell how something sounds, feels, or tastes.

ADJECTIVES

A. Look at each underlined noun. Circle the adjective or adjectives that describe it. Then write the adjectives on the lines.

1. My big brother likes to eat sweet fruits.

2. He eats them on many hot days.

3. He cuts the red apple into four pieces.

4. The ripe bananas and juicy peaches are his favorites.

5. Mom bought him a large, round watermelon.

6. He made a delicious, colorful salad for all of us!

B. Write two adjectives to describe each noun. Use words that describe color, size, shape, sound, or how something tastes or feels.

1. the _____, _____ balloon

2. a _____, _____ apple

3. a _____, _____ day

C. Write a sentence about a pet. Use two adjectives to describe the pet.
