

READ THE CHART Think about what the information in the circle chart shows.

Maya's Day

SKILL PRACTICE Read the question. Fill in the bubble next to the correct answer.

- What does the circle chart show?
 - who Maya's friends are
 - how Maya spends time
 - what Maya likes to read
 - where Maya's sisters go
- Which activity takes the most time?
 - eating and bathing
 - playing with friends
 - being at school
 - sleeping
- Which activity takes the least time?
 - doing homework and chores
 - playing with friends
 - eating and bathing
 - being at school
- More than half of Maya's day is spent _____.
 - eating, bathing, and playing
 - doing homework and chores
 - being at school and sleeping
 - playing and doing homework and chores

STRATEGY PRACTICE Discuss with a partner why you think the writer used a circle chart to show the information instead of writing it in a paragraph.
