## History

The Pueblo tribe lived in what is now Arizona and New Mexico. Long ago, the Spanish came and took over Pueblo lands. Their priests made the Pueblo people change their religion. They made them work in the fields. The Pueblo had no rights. They were treated like enslaved people.

The Pueblo people wanted to be free again. A man called Popé became their leader. Soon, many Pueblo people joined together. They attacked the Spanish. They sent the Spanish away from their land and had peace for 12 years.

Then, the Spanish came back and took over the land again. They brought disease to the Pueblo. Many Pueblo people died of smallpox. When the Pueblo people tried to rebel, the Spanish killed hundreds of them at a time.

1. What happened to the Pueblo when the Spanish first came?
